“Poop Goop” Recipe for home use

Parent Information

Mix the following ingredients in a Tupperware container and apply with each diaper change or at least 3-4 times per day for 1 week.

1:1:1 ratio of each of the following:

1/3 clotrimazole cream

1/3 zinc oxide paste (Destin or A & D) *Note: Higher % zinc oxide is better.

1/3 Maalox

Your child needs to be seen if rash is worsening or if rash has open sores, rash spreads to abdomen or thighs, or if not improving after 2 days using poop goop.

SDPA 145-4 7/19
