<sup>1</sup>Coding standards and associated charge and reimbursement values may vary based on complexity of a visit (visit level) and whether a patient is a new or existing patient. A **new patient** has not received professional services from a provider in the same specialty and in the same group practice within the previous three years. An **established patient** has received professional services from a provider in the same specialty and in the same group practice within the previous three years.

<sup>2</sup>Includes additional bundled services. Payment will include one or more of the bundled services-vision screening, hearing screening, developmental/social-emotional/mental health screening, immunizations and oral health.

This is not a comprehensive list of services provided by our clinic.

These charges are meant to be informative and do not reflect the amount you may owe for your care. Individual health plans have negotiated rates with the clinic.
